What is the prophetic gift...

We see in the New Testament that Christians functioned in spiritual gifts, and were encouraged to have high value for function in the prophetic gift. 1 Cor. 12:31 & 14:1 The manifestation of the prophetic gift, is simply, God speaking through His people. Believers can receive and learn to function in this very needed spiritual gift.

This conference will equip those who attend and provide practical exercises for application and function in the prophetic gift.
