

BRAZIL

In 2009, the Scottish Bible Society celebrates 200 years of bringing the Bible to the peoples of the world and to mark this historic occasion we have in faith, embarked upon our most ambitious project ever!

The Scottish Bible Society plan to provide a 'Bus', fully kitted out, to provide Bibles, medical care, dental services and health education for people living in the North East of Brazil and by doing so will reach out to some of the poorest people in South America.

In this our 200th year, we have set a target to raise £200,000 to provide these essential services and bring the Good News of the Gospel to needy people in this region.
