

Tony Anthony – 'Taming the Tiger'

Raised in China, Tony was trained in the way of Kung Fu, becoming a three time world champion, a master of the art, and a highly proficient combat fighter. In his early twenties Tony worked as an elite body guard, travelling the world protecting some of the world's richest, most powerful people. When tragedy struck in his personal life he fell into sinister circles and was ultimately incarcerated in a Cypriot prison. A then violent and bloodthirsty man, talking to a stranger who begins to visit him, Tony finds his anger begins to disappear as his priorities shift and his life takes a massive turn. Where previously the other inmates had respected him for his fighting abilities, now they are drawn to him in a different way.

Tony is the author of the best selling book 'Taming the Tiger' copies of which will be available on the night. The book has been translated into 29 languages.
